

American College of Forensic Psychology
41st Annual Symposium
March 19-22, 2026
San Diego • The Westgate Hotel

OVERVIEW

The American College of Forensic Psychology is approved by the American Psychological Association to sponsor continuing education for psychologists. The American College of Forensic Psychology maintains responsibility for this program and its content. This program will offer a maximum of 25 hours of Continuing Education credits. To earn CE credit for each session, attendees must attend the entirety of the session and sign in and out at the registration desk.

Goal: The goal of this symposium is to keep forensic psychologists abreast of important issues which lie within the interface of psychology and law, recent developments in psychology that require new knowledge for expert witnesses, and new case law affecting forensic practice. **Target Audience:** The program is intended to benefit practicing forensic psychologists, psychologists in other subspecialties, and attorneys who litigate civil and criminal cases involving psychological evaluations and expert testimony. **Objectives:** Participants should improve their knowledge and skills in the following areas: (a) evaluation or treatment of forensic litigants and individuals with other forensic psychological issues; (b) new and ongoing research and developments in the field of forensic psychology; (c) relevant concepts useful in testifying and educating the court on mental health issues, and in working within the legal system; (d) changes in the law that affect clinical and forensic practice; (e) legal and psychological aspects involving inmates in correctional facilities with psychological disorders. All CE sessions are taught at an intermediate level, building upon psychologists' foundational knowledge.

Disclosure of Potential Conflicts of Interest or Relevant Financial Relationships: The American College of Forensic Psychology does not receive financial or commercial support. All instructors were asked to disclose potential conflicts of interest, or relevant financial relationships with any commercial interest. All instructors reported that they have nothing to disclose.

The meetings each day will be in the Versailles Ballroom. Registration and continental breakfast each day will be outside the meeting room. Thursday night's welcome reception will be in the Riviera Room and Terrace, and the student poster session on Thursday will be held in Embassy Room, Riviera Room, and the surrounding hallways. The student poster sessions on Friday and Saturday will be in the Versailles Foyer. The events described in this paragraph are **not** CE events.

Although no changes are anticipated, it is possible that changes will be necessary to the program.
